To Whom It May Concern:

I am a reporter with Reuters in New York, and hope all there are well and safe.

I was assigned to write up the attached letter, including its discussion of the apparent bruise around Ghislaine Maxwell's left eye, and would welcome any comment concerning the letter, the timing and origin of the bruise, and what is being done about it.

I have copied the US attorney's office in Manhattan here. I recognize that communications on behalf of the government regarding Maxwell's confinement conditions are coming from multiple sources. [REDACTED] a lawyer for MDC filed one such communication today.

I am best reached by email or cellphone. Thank you in advance.

Sincerely,
