Just as a follow up. I just heard back from [REDACTED] and she said her strong preference is as early as possible in the fall – early September would be her preference. [REDACTED] and her husband are going through the process of trying to adopt a baby and the birth mother is due in early November (and of course babies can sometimes come a bit earlier). The birth mother has not finalized the match so this is a fluid situation but [REDACTED] wants to make sure she is able to be there when the baby is born and of course care for her newborn immediately following the birth. I will keep you updated but [REDACTED] strong preference is for as early as possible.

All my best,
Sigrid
