████████ —

Hi there. I hope you're well. I'm working on a story about Jeffrey Epstein's ties to ████████████, who was convicted of running a massive Ponzi scheme in the 1980s/early 1990s. ████████ says he's reached out to federal authorities following Epstein's arrest (he won't elaborate other than to say that he called the 800 number given out at ████████ press conference) and claims he has information about Epstein's financial crimes.

Can you let me know if you'd like to comment on this in any way? It's for a digital story, btw.

Thanks very much,

████
