Alan?

Besides your (superb) defense work for Epstein and all enjoyers (Clinton, Barak, Wexner, Maxwell, Andrew, Trump, Dersh, etc) of his hospitality, did you 🤖 have any operational role in the apparent honeypot/blackmail ops?

Don't you think now would be a good time to be reconciled 😊 to your Maker?

Glad to discuss.

Shalom,

Steve

OFF THE RECORD

Excerpt:

“From Scholar to Shyster, Alan Dershowitz Does Revisionist Law, Disowns His ‘1998 Off-the-Cuff Interview’” (PolitiZoom, January 21, 2020).

Q: Is “Shylock” anti-Semitic? Or, could that reasonably pertain to *any* prick who loves \$\$\$ too much?

Q: Is [this](#) what it has *always* been about? Killing [the Moses Map](#)?

Q: Dr. D, *why not tell all?* Why not "Come to Jesus"?

(Oops; a figurative phrase for secular penitence... *or* you could chat with Rabbis Lapin and Fleischer, *or* you could take it literally).

Alan: Whatever your approach to your Almighty Maker, why not seek redemption -- *genuine reconciliation* -- with Heaven and Hashem before you must face Him?

No dodging that subpoena, those interrogatories, that trial.

We *all* need His forgiveness, no?

Shalom,

Steve

PS. Look [what happens](#) to Chosen People who defy YHWH for butchery like [this](#), [this](#), [this](#), [this](#) and [this](#).

Professor, *why o why* should it go better for our USA?

([This](#) would make COVID-19 seem like the sniffles).

Alan, why not start [leading us in the paths of righteousness](#), for His name's sake?
