let go, to Williamsburg. Around 2004, [REDACTED] had an interview and earned a job at a coffee shop in Union Square.

In the summer of 2004, [REDACTED] met JEFFREY EPSTEIN. [REDACTED] was 19 years old when she met a woman named [REDACTED] who worked at the coffee shop with her. [REDACTED] was roughly the same age as [REDACTED]. [REDACTED] had found pay stubs reflecting this. [REDACTED] started school soon after this; she found her transcript stating she started in August 2004. While she was working at the hostess stand, [REDACTED] was approached by a blonde woman with an Eastern European accent. This woman, [REDACTED] told [REDACTED] that she was beautiful and that [REDACTED] had a wealthy client who liked young pretty girls. [REDACTED] said that she found women to give him a massage and he pays the women in cash. [REDACTED] thought it sounded very innocent. The next night [REDACTED] took [REDACTED] and two of her friends to a club, where she told them things like the fact this man was friends with a president.

[REDACTED] told her that she made \$600 per girl and recruited three to four a day. [REDACTED] referred to the man as "Jeffrey". [REDACTED] also told them that if he liked her then she could make money in the future. Looking back, it seemed to [REDACTED] that [REDACTED] groomed her.

Later, [REDACTED] had [REDACTED] meet her around the corner from EPSTEIN's house. [REDACTED] had an appointment around 11AM/12PM. [REDACTED] told [REDACTED] that EPSTEIN was not going to touch her and that she would have her clothes on. [REDACTED] left from there and remembered walking up to a home with big doors. [REDACTED] rang the doorbell and a Hispanic maid, who did not really say anything, answered the door. She took [REDACTED] up on the elevator, which [REDACTED] thought was to the left. [REDACTED] thought she could have gone to the second floor. The room was small and dimly lit with a massage table, chairs to the left-hand side, and a bathroom attached. There was an essential oil smell in the room. EPSTEIN walked in with a towel wrapped around his lower half. EPSTEIN took a short call, speaking to someone named [REDACTED], when [REDACTED] had walked into the room. EPSTEIN walked in the bathroom first then laid on the massage table on his stomach. EPSTEIN asked where [REDACTED] was from and he seemed surprised when she told him she was from Texas. Approximately five minutes in, EPSTEIN turned over and told her to take her clothes off. [REDACTED] felt trapped and did not know how to get out. EPSTEIN "commanded" her and was very intimidating. [REDACTED] took her clothes off. [REDACTED]

[REDACTED]. On the shelf in the room, there was a sex toy. [REDACTED]. EPSTEIN told [REDACTED] to get on top of him to which she said, "please no". EPSTEIN asked [REDACTED] if she liked what he was doing to her. When EPSTEIN finished, he took money from a drawer. EPSTEIN paid her and [REDACTED] dressed. The maid knocked on the door; she seemed disturbed as she walked [REDACTED] out.

[REDACTED] texted [REDACTED] the next day, saying EPSTEIN really liked her and wanted to see her again. [REDACTED] told her friend [REDACTED] what had happened and [REDACTED] told her that it had happened to her as well.

[REDACTED] thought the number she may have used then was [REDACTED].

[REDACTED] friend requested [REDACTED] on Facebook. [REDACTED] seemed like a friend who was helping her and [REDACTED] needed the money. [REDACTED] had one message from her that she had screenshot.

[REDACTED] had a mental breakdown, started drinking, and couldn't function. [REDACTED] was fired from her job, so she called her parents to go home. [REDACTED] left New York after her interaction with EPSTEIN. [REDACTED] called her parents, they picked her up and she moved back home. [REDACTED] felt safer when she moved back home. [REDACTED] went to community college. [REDACTED] went from outgoing to a recluse and did not talk to anyone.

[REDACTED] currently lives in Baltimore, Maryland with her husband and children. [REDACTED] worked previously at a photo agency and worked with Discovery Travel before being laid off. [REDACTED] is currently working on getting her MBA and works from home for the Animal Planet.
