[REDACTED], we did not realize that this separate case was also an investigation relating to Epstein. Our bosses have asked us to coordinate with that investigation. Should we talk directly with that team, or have a call all together? We were a little blindsided by it with our chiefs so we'd like to get up to speed as soon as possible. Also, given that it's related to Epstein, please ask the other agents not to contact Visoski's counsel until we've all had a chance to chat. Thanks.

Hey all,

Could you send me the name and contact information for Larry Visoski's attorney?

There is a separate case where his name came up and a few agents want to reach out and speak to him, so if you could send me that contact info I'd appreciate it.

Thanks,
