Absolutely! It has been saved to the subpoena returns folder [here](#), and stamped/added to the pending [Nineteenth Production folder](#) on the shared. I've updated the cover letter (attached) and index to reflect this addition. If there are any edits to be made, I'm happy to do so.

Thanks so much!

Good morning,

Sorry for the late response. Our IT team was not able to go back past 2007. I am attaching a spreadsheet with the shipments on his account from 2007 – 2020 for your review. Please let me know if you have any questions or need anything further.

Thank you,

Hi Tracy,

Thank for your help with this inquiry. We're not sure whether this would have been the same account number during the time period we're looking at, but the account number we have is 1144-2081-6. More broadly, we are searching for any accounts or data associated with Ghislaine Maxwell or Jeffrey Epstein.

Thank you,

[REDACTED]

Do you have a FedEx Express account number? I am going to reach out to IT and see what they can find or have.

Thanks, Tracy. We'd like to identify a records custodian who could testify, in the event that it would be necessary.

We found the attached cover letter and certification from FedEx in 2008, in case they are helpful in finding the specific production on your end.

Hi Tracy,

We'd like someone to sign an affidavit for now, but we'd also like to identify someone who could testify at trial if need be. The trial is for Ghislaine Maxwell, scheduled to start in New York in November.

I've attached a proposed declaration, though if FedEx has its own standard format, that will likely work too.

Thanks,

Good morning,

I have reviewed the records and they seem to be our records. Are you needing someone to sign an affidavit or appear in person at trial? (is this "the" Jeffrey Epstein?)

Hi Tracy,

I hope you had a nice weekend, and thanks again for the call last week. I've attached the FedEx records for which we are looking for a records custodian. According to a log, the U.S. Attorney's Office for the Southern District of Florida sent FedEx a subpoena in February 2008, and the FedEx point of contact was Tracy Ferrara. If we find any front matter, like an internal tracking number, we'll let you know.

Thanks again for your assistance with this. Please let me know if you have any questions.
