agreed because she needed money.

[REDACTED] went to [REDACTED]. [REDACTED] was told by [REDACTED] that she and [REDACTED] tried to recruit from [REDACTED] because the Catholic school girl was a turn on for EPSTEIN.

During this time, [REDACTED] was approximately 17 years old; the same age as [REDACTED]. [REDACTED] was approximately 17 years old. [REDACTED] was younger at 16 years old.

[REDACTED] only went to EPSTEIN's home one time. [REDACTED] mother would not allow her to have a cell phone at the time. [REDACTED] met [REDACTED] at [REDACTED] house and they walked to EPSTEIN's house [REDACTED].

When they arrived, what appeared to [REDACTED] as a secretary answered the door. [REDACTED] described this individual as Caucasian, with glasses, maybe a brunette in her 40's or 50's. This secretary said that Mr. EPSTEIN was waiting for them. [REDACTED] stated that the massage parlor was to the right after walking in. EPSTEIN was already undressed with a towel covering him. [REDACTED] watched [REDACTED] to follow her lead. [REDACTED] really did not like the idea but was thinking that she was ok with what was going on because of the desperate situation that she was in. [REDACTED] was standing and [REDACTED] started massaging. [REDACTED]

[REDACTED]

[REDACTED] EPSTEIN said thank you and left the room. [REDACTED] and [REDACTED] dressed. The secretary gave each of them a white envelope with money. [REDACTED] could not remember if it had \$250 or \$300 in it.

[REDACTED] understanding was that EPSTEIN only communicated with [REDACTED]. Leaving EPSTEIN's home, [REDACTED] felt very dirty and ashamed.

[REDACTED] had used her house phone number [REDACTED] to communicate with [REDACTED] and [REDACTED].

[REDACTED] thought that [REDACTED] became friends with [REDACTED]. [REDACTED] thought that [REDACTED] went to [REDACTED]. [REDACTED], [REDACTED], and [REDACTED] all talked about going to EPSTEIN's home. They told her about massaging him.

[REDACTED] remembered being pissed off at [REDACTED] when she went back to [REDACTED] home after massaging EPSTEIN. [REDACTED] had friends from high school over. [REDACTED] told [REDACTED], "Oh your butt looks great in pants.". [REDACTED] felt that made it so much worse.

[REDACTED] walked back with [REDACTED] to [REDACTED] house. When [REDACTED] saw [REDACTED] friends there, [REDACTED] did not go further into it. The friends at [REDACTED] house were [REDACTED], whose last name [REDACTED] did not recall, and [REDACTED]. [REDACTED] had the sense that they knew where she had just come from.

[REDACTED] did not know if [REDACTED] had approached both [REDACTED] and [REDACTED] because [REDACTED] thought that EPSTEIN only liked Caucasian girls because of herself and [REDACTED] going.

[REDACTED] knew EPSTEIN as "Jeff". [REDACTED] described EPSTEIN as "loaded" and he liked to massage young girls. [REDACTED] recognized the wooden door as his on 71st Street. [REDACTED] thought there maybe was a white marble floor inside. [REDACTED] recalled the leather of the massage table sticking to her skin. [REDACTED] massaged EPSTEIN on the ground floor of his house; she did not go anywhere else. [REDACTED] thought in the beginning that EPSTEIN tried to make her comfortable. He said, "Hi, I'm Jeff.". [REDACTED] did not recall EPSTEIN asking her questions.

[REDACTED] described herself as the "underdeveloped" one of the group.

[REDACTED]. EPSTEIN preferred [REDACTED]. [REDACTED] knew that [REDACTED] had gone a few times; [REDACTED] had told her that she had been there.

[REDACTED] believed that [REDACTED] was the only one who knew that [REDACTED]
[REDACTED]

[REDACTED] had never talked about this before. [REDACTED] saw EPSTEIN's face recently on the news and contacted the FBI hotline. [REDACTED] had not talked with law enforcement, lawyers, or investigators prior to this interview.

[REDACTED] provided [REDACTED] phone number as [REDACTED].
