Hi Louise,

Thanks very much. We are unfortunately not able to connect by bluejeans because of our agency's security restrictions. However, we've used WebEx successfully to video conference with Jill before, so if it's okay with you I'll circulate a link to connect by WebEx.

Thanks,

Jill,

Thanks very much for reaching out. We would be glad to schedule a videoconference with your client to discuss her questions and concerns. Are there particular dates and times that would work best for you and your client?

We are in the process of looking into the current rules on travel for government employees, and will let you know as soon as we have more information. Our team is willing to travel if we are permitted to, but we're not yet certain whether that is possible.

Thank you,

[REDACTED]

Jill,

We're very gratified to hear that your client is willing to speak with us, and we would be happy to answer her questions as best we can.

In terms of logistics, I recently moved to a new position within our office and so the current team has been updated – the investigation is now being handled by [REDACTED] and [REDACTED], whom you've spoken with previously, as well as new addition [REDACTED], who also has extensive experience in these types of cases—they're all copied here. They'll follow up with you to schedule a time for the discussion, and they can let you know the latest status on any anticipated approvals for Government foreign travel (which I believe currently is prohibited for us, otherwise we would be happy to travel to meet in person).

Thank you very much for your continued assistance in connection with our investigation, and I expect [REDACTED] and [REDACTED] will be in touch shortly as well.

thanks again,

[REDACTED]

Hi [REDACTED]

My client would like to speak to you to discuss matters. This would be in the form of her asking how you would manage this. She did also ask if you were travelling [REDACTED] at any point so. I said not but if I am wrong please do let me know.

Thanks

Jill
