[REDACTED] was an AUSA who worked in both the Civil and Criminal Divisions before going to work for the U.S. Bankruptcy Trustee. Sadly, she passed away within the past month. I don't think she had any connection to the SD Fla. She worked a lot with [REDACTED] when he was Chief of Public Corruption. She was really a great person.

Hi [REDACTED],
Hope you're both doing well! [REDACTED] and [REDACTED] and I are currently briefing some issues in the Ghislaine Maxwell case, and we've come across a factual issue that we were hoping you might be able to help us with. The name "[REDACTED]" appears to be referenced in a file from the Southern District of Florida, and the defense is suggesting that this person worked at SDNY. If you could possibly help us figure out whether this person ever worked here, that would be incredibly helpful.

Thanks so much,
