My client [REDACTED] (who is proceeding anonymously under [REDACTED]) asked me to reach out to you that this past Wednesday she was leaving her home and noticed a White Sprinter van with commercial plates and tinted windows that was parked near her home – when she walked by the van she had her phone stopped working for a second and make a weird noise and her earphones blew out and no longer work. She lives at [REDACTED] [REDACTED]. She asked that I let you know in case anyone else has experienced something similar. She said her fiancé also saw the van.

Thank you,
Sigrid
