Subject: Scanning project for SDNY

Date: Sat, 12 Sep 2020 00:23:00 +0000

Hi [REDACTED]

Our budget office has approved payment from SDNY to Melkin Solutions to complete the scanning of the 28 Epstein-related boxes in SDFL. How should I go about coordinating so that the vendor can get access to the boxes to scan them?

The vendor indicated that it would be much faster if they could be permitted to take the boxes to their office for processing. Would your office be willing to permit that? We are hoping to get these scans completed as soon as possible, so we would be very grateful if there's any way to help expedite the process.

Please feel free to call my cell at [REDACTED] if it would be useful to discuss over the phone.

Thanks so much for your help.

Best,
[REDACTED]
