Subject: Memo for AUSA [REDACTED]

[REDACTED]

Urgent. Please send the below email and the attachment back to me.

[REDACTED]

The SDNY requests approval for travel by AUSA [REDACTED] to the U.K. from October 12 to October 17, 2020. This travel is required at this time as [REDACTED] will be conducting an interview of victim/witness in the case against Ghislaine Maxwell. The victim was a victim of Jeffrey Epstein. She will only talk to us person and it is necessary for us to get her statement on the record to preserve the government's right to use her at trial.

Please issue an approval from EOUSA for her travel to the U.K.

[REDACTED]

Acting United States Attorney.
