[REDACTED] called back to report briefing of DAG went well. She kept it high level. She says he says he is a reader and she thinks he had not had time to read the memos, but may well do so now. No concerns expressed.

See below. Memos received and conveyed to DAG.
[REDACTED] called this morning and had me walk through with her almost all the cases in both memos to prep for meeting with DAG.
No issues.

Here are the two memos for your briefing with Ed of the DAG, one from Geoff and the other from me on the recusal matters.
After you and I spoke, we realized that we should add Epstein and we have done so.

As always, please feel free to call with any comments or questions.
