DECEMBER 10

Well, what I'm about to say is something I've felt for a long time. I'm truly in love w/ Ned. He makes me feel something no one else is able to accomplish. I hope we're together for a long time. Because true love like this just doesn't come around like this everyday. And I really respect him for putting my age aside from love. I love him more than anything. - more than I can express. I might as stop trying to now.
