Hi [REDACTED],

No problem at all. I don't think I'll be at the office in time for 8:30. Can we take the 11am slot? If not, you can give me a call once you 9am is done.

Thanks,

Hi [REDACTED],

My 11:00 got bumped to 9. Is 8:30 too early? Can I call you as soon as my 9:00 is over (hoping it is only 30 minutes)?

Sorry,

I can do 9 if that works. I have a teleconference at 11, a meeting at 1, and have to leave by 3 tomorrow.

I have a court conference right at 10. Any chance you could do a bit earlier or a bit later in the morning?

Thanks,

Very sorry to bother you, but would you be available for a call tomorrow to discuss? We need to make sure Tartaglione has regular access to his discovery.

Thanks,

There is a problem here. This is just the latest exchange. I have been writing about this since before the 21<sup>st</sup>. You asked me to let you know if we ran into a roadblock and we have. My understanding is that Nick has not seen his discovery since the 18<sup>th</sup>, when it was taken from him.

I am out of the office today. Arrangements were made for him to view his discovery in attorney conference last weekend. The same arrangement will be made for this weekend as well.

There seems to be a problem. I don't think Nick has been permitted to view his discovery since it was taken from him. Can we talk
