No problem. I went through these, and none of this is Rule 16 material in my view. I think we should review these for 3600 disclosures, as we'll want to turn over the majority of this, which consists of text messages, meeting notes, and meeting reports. The other materials in here are charts of victim contact information and print outs of articles about Jeffrey Epstein.

Thanks so much. If you have time to review the documents we just received from the GA USAO, that would be terrific. They are all saved here: <\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\Investigation\Materials from GA USAO>

Hi team,

I'm done with my last batch, which means we should be done with the Relativity review of the FOIA docs—so those should be ready to go out, whenever [REDACTED] gets through the current queue. What doc review project should we be turning to next?
