Hi [REDACTED],

These have been prepped and saved [here](#), and a draft cover letter is attached and saved [here](#). Let me know if there are any revisions you'd like me to make.

When we load the drive for Maxwell tomorrow with the materials previously loaded onto a hard drive for her (per your Friday afternoon email), should these materials be loaded onto it as well, or would you prefer for them to be produced some other way separately? Please let us know.

Thanks,

Hi,

Tomorrow, would one of you please prep the attached files to be produced as discovery to Maxwell? All should be marked CONFIDENTIAL.

Thanks very much,

Subject: Follow Up

Hello [REDACTED] [REDACTED] and [REDACTED],

As a follow up to our call this morning -- the attached pictures were produced as part of [REDACTED] [REDACTED] civil case.

As to [REDACTED] photos –BSF only has electronic copies. The originals are with [REDACTED] in Texas.

As to the one photo of [REDACTED] [REDACTED] – BSF only has electronic copies – the original would be with [REDACTED] in Arkansas.

You will see that the [REDACTED] pictures have both the [REDACTED] bates number and the [REDACTED] [REDACTED] bates number. As reference in the redacted 302 (clipped below) the originals of these photos were taken into custody by the FBI so [REDACTED] does not have the originals of the photos but does have the CD that the FBI gave her. Please feel free to reach out if you have any additional questions.

On March 18, 2011, writer, SA [REDACTED] and [REDACTED] traveled to [REDACTED] residence where she provided 20 photographs and her ITM message school certification. FD-597 Receipts for Property were executed for the items [REDACTED] and a copy was provided to [REDACTED]. It is noted that the receipts were dated based on the United States Eastern Standard Time Zone date. The photographs, certification and original FD-597s were placed in a 1A envelopes of case file.
