Choosing Your Classes

The information below must be completed in order to process your application.

All Juniors (grades 9-10) are admitted based on the date of their completed application and the enrollment needs of the Camp. Juniors do not need to audition unless applying for financial aid. Intermediate (grades 6-8) and High School (grades 11-12) applicants must apply for audition-based or non-audition-based majors. The remainder of their schedules should be filled with non-audition-based minor classes. Students seeking audition-based majors are admitted based on their level of ability and the enrollment needs of the Camp. Those seeking non-audition-based majors are admitted based on the date of their completed application and the enrollment needs of the Camp. The applicant pool is competitive and limited space is available; therefore your early application is strongly recommended. Please note: very few spaces are available for the non-audition-based general arts major in the Intermediate division.
