RE: INFORMATION RE CYRUS VANCE CORRUPTION IN 2 VERY SERIOUS UNREPORTED MATTERS, ONE MATTER HAVING TO DO WITH COVERING UP A RIKERS BRIBE SCHEME PERPETRATED BY ALAN DERSHOWITZ FOR ONE OF HIS CLIENTS, GIGI JORDAN, BRIBING NORMAN SEABROOK
(Separate Bribe than the one Seabrook was arrested for)

MR [REDACTED],
MY name is [REDACTED]. I read that yourself, and MS [REDACTED] and MS [REDACTED] are the Assistant US attorneys assigned to Jeffrey Epstein's case, and that the case /investigation is still continuing into Epstein's accomplices.
<https://www.thedailybeast.com/jeffrey-epstein-case-federal-prosecutors-are-lining-up-witnesses-against-his-crimes>

I have information about corruption/coverup of crimes by Cyrus Vance (as a favor to powerful connected persons) in 2 separate criminal matters (separate from anything that has been reported recently) . The information /evidence I have on Vance corruption started in 2013, and goes through the present. The reason the information I have has never been reported is because when I sent an email to Manhattan ADA Gordon on May 19, 2015, at 11:39 am , advising her that I plan to go to NY Post with the evidence I have on Manhattan DA corruption/coverup in the matters detailed below ...12 hrs later , NYPD shows up at my house to arrest me. And Cyrus Vance maliciously prosecuted me on that case for 2 1/2 years. The case was dismissed by Judge when I

finally had enough , and sent the Judge evidence of the Manhattan DA corruption in that case, and Judge Dawson dismissed the case shortly thereafter.

So as you can imagine, this has had a very chilling effect and caused fear on my willingness to come forward and suffer further arrests/retaliation by Vance's Office.

One Matter involves Vance's collusion with Cardinal Dolan to cover up a million Dollar embezzlement and child abuse by a [certain Priest, Fr Miqueli](#) .

The second matter/coverup by Vance involves a huge Rikers Bribe scheme perpetrated by One of Vance's high profile defendants , Gigi Jordan (the millionaires that killed her 8 yr old son), during her time at Rikers awaiting trial.

The Rikers Bribe scheme by Gigi Jordan was from 2010-2015 , and Literally involved the entire Jail. The person on the receiving end of the Bribe was Norman Seabrook . I have evidence that Vance knew about it and covered it up as a favor to Norman Seabrook (in 2015) . Gigi Jordan's lawyer was Alan Dershowitz, and Dershowitz joined Gigi Jordan's defense team literally a few months later after the infamous " Alan Dershowitz' client Jeffrey Epstein court hearing in 2011, when our DA Cyrus Vance ordered his Sex crimes unit chief show up to court to implore the Epstein's Judge to to downgrade Epstein to Level 1 sex offender. (WOW) .

I have a CO contact that has information/names of COs who are witnesses to Gigi Jordan's lawyers (ie Alan Dershowitz), actually being involved in the actual crime of the Rikers Bribe .

Im just going to include a quick summary of facts and events below...I have emails and recordings with various officials in Vance's office, and I have documents spanning the last 5 years (both on the Gigi Jordan Bribe coverup, and the Cardinal Dolan coverup) . Just an example , I have incriminating emails and recordings with 4 of Vance's Burea directors, Vance's Financial Crimes unit, and recordings with State Police Investigator, who admits to me on a recorded line that Vance's office ordered him to "Not investigate and squash any investigation/arrests of Fr Miqueli for the million Dollar embezzlement and child abuse... As you can imagine, I have gone to all levels of City Government , including DOI in 2015 and 2016, while still under Commissioner Mark Peters, and Mark Peters ordered investigations into all of this "squashed"... I have gazzlion emails and recordings with DOI, all the way up to Mark Peters departure in Nov 2018.

The information below is corruption by Cyrus Vance, as pertains to Vance colluding with Ny Archdiocese to cover up and protect a certain Priest, Fr Miqueli (as a favor to Cardinal Dolan) . Fr Miqueli is a priest who embezzled a million dollars at a Roosevelt island Parish St Francis Cabrini (Vance's territory), Vance also helped Cardinal Dolan cover up child abuse (what else is new!?) by Fr Miqueli of at least one kid , that I know of. The Coverup and protection of Fr Miqueli crimes is ordered by Cyrus Vance personally (I have evidence, in the way of emails and recording and documents) .

Just to give you some background on who I am..... A few years ago , you might remember the story about a girl who exposed a Gay priest who embezzled a million dollars, and Cardinal Dolan who covered it up. It was front page worldwide news ...

<https://www.google.com/search?>

If you do remember the story from reading it, you probably thought to yourself "there must be some much more to it" . Boy is there ever! The Priest and [REDACTED] ([REDACTED]) are being protected by Cardinal Dolan, who has had full knowledge of everything , but covered it up, "cooked the books", etc, bc Fr Miqueli and [REDACTED] have MAJOR blackmail on the NY Archdiocese and the Vatican. Below is an investigative report which will give you some idea of what the blackmail is . Vance's office knows all this and covered it up (I have timestamped dated emails proving Vance's office has all this information) .

<https://youtu.b> [REDACTED]

Also, a high ranking Archdiocese insider came forward a year ago and confirmed that Cardinal Dolan knew all about the Million dollar embezzlement by Fr Miqueli, and [REDACTED] [REDACTED] , and the child sex abuse , and why Cardinal Dolan covered it up. Below is an interview with him .

MANHATTAN DA / CYRUS VANCE COLLUSION WITH NY ARCHDIOCESE TO PROTECT FR MIQUELI AND ██████████ (AS A FAVOR TO CARDINAL DOLAN)

As payback for me exposing all this, Cardinal Dolan has taken some preemptive steps of retaliation against me for exposing this corruption, and pulled in favors with top ranks of NYPD and Manhattan DA office to protect ██████████ and Miqueli, and squash any investigation/arrests into their embezzlement and other crimes, and to maliciously prosecute me (I have emails /recordings with top ranks of NYPD and IA and Manhattan DA) . The Blackstar News article below summarizes all that (there is a retaliatory false arrest by NYPD, and much much more, what's addressed in the article is just the tip of the iceberg)

<http://www.blackstarnews.co/██████████>

When she never heard from Gordon, on May 19, 2015, at 11:39 AM, ██████████ sent her e-mail messages with what she claims were past alleged crimes never investigated by the Manhattan DA's office after she'd provided evidence.

Some were allegations of corruption unconnected to ██████████. One was a beating that ██████████ suffered at a bachelor's party that she had organized in 2012, by individuals she believes were prominent New York City officials, who were drunk and had been snorting cocaine. The incident was recorded on a surveillance camera at an event's space. Even though one arrest was made there's been no prosecution to date, ██████████ claimed, in the e-mail message to Gordon. "I told her in that e-mail that I plan to go to The Daily News to expose the corruption in the Manhattan DA's office."

Link below is the actual email to ADA Gordon (Vance's office) that is referred to in the above Blackstar News article above, where I inform ADA Gordon that I plan on going to NY Post with evidence of various corruption at Manhattan DA .

12 hrs after I sent Manhattan Da this email above, at 11:39 am 5/19/15, I am arrested at my house by the NYPD.. What that email was referring to was the huge bribe scheme going on at Rikers perpetrated by inmate Gigi Jordan(the multi millionaires that killed her son). Norman Seabrook was on the receiving end of that Bribe(different bribe than the one he got arrested for), and other corruption/coverup by Vances office in my case, and the retaliation against me when I tried to expose it.

GIGI JORDAN RIKERS BRIBE

<https://www.google.com/webhp?sourceid=chrome-instant&ion=1&espv=2&ie=UTF-8#q=Gigi+Jordan>

The bribe scheme was going on for the 5 yrs that Gigi was at Rikers prior to her being convicted /sentenced, and being sent upstate circa summer 2015. The bribe scheme was indicated to be 20k/month. How I know about this is I was at Rikers for 8 months, March 2014 to Nov 2014 . What I was doing at Rikers in the first place, and the NYPD corruption/false arrest that put me there is detailed in the media article above by Blackstar News . But in the meantime, while at Rikers, I gathered up as much info as I could. Literally, the entire jail was involved in it, one way or another (All the COs knew about it, they either knew about it, or were involved in executing the "special favors" that Gigi's 20k/month was buying.) I know for a fact both Wardens knew about it(Bailey and Clifford), but everyone was too afraid to say something bc they were following orders of Norman Seabrook.

When I got out from Rikers, I immediately reported this to Gigi's prosecutor, **ADA Bagdanos** at Manhattan DA in Feb 2015. I was shocked when Bagdanos admitted to me (by accident, Im very good at getting people to admit things to me) that Manhattan DA knew about it all along. I was shocked, started grilling ADA Bagdanos about why he did not make arrests, is it bc of the high ranking official on the receiving end who is being protected?...Bagdanos realized his screwup by his admission, and kicked me out of his office...I started writing emails to Mr Vance's top ranks, including Vance's Trial Bureau Chief, Armond Durasanti, and other department heads...I demanded they turn the Gigi Jordan Rikers Bribe coverup directly to Vance, (even though I knew vance already knew about it) . They all continued to cover it up. On 5/19/15 I wrote an email to ADA Gordon (she was the prosecutor in against ██████████ (and Fr Miquelis ██████████), ██████████, in a Domestic Violence crime ██████████ did against me. I was ADA Gordon's Domestic Violence Victim .. On 5/19/15, at 11:39 am, I sent her an email telling her I plan to go to Ny post with evidence of corruption at Manhattan DA office, specifically to expose that they knew about the Gigi Jordan Rikers Bribe (as per Bagdano's admission to me), and that they covered it up, and the coverup of Fr Miqueli's embezzlement and child abuse

12 hrs later, NYPD come to my house to arrest me. Vance's office maliciously prosecuted me on that case for 2 1/2 years...I finally wrote a letter to the Judge and provided evidence of the corruption in my case, and she dismissed it outright shortly thereafter. I have a TON of evidence of Vance's Office corruption on that case.

Below is also a Crime Watch Daily episode that they did about my story of the false arrest /malicious prosecution by Vance's Office on 5/19/15 (as a favor to Cardinal Dolan)

FURTHER INFORMATION RE ALAN DERSHOWITS (heading up Gigs Legal team) INVOLVED IN THE GIGI JORDAN RIKERS BRIBE /COVERUP BY VANCE'S OFFICE

Alan Dershowitz was the Lead lawyer for Gigi Jordan (along with about 6 others). Here is a pic of Dershowitz and Ron Kuby at Gigi Jordan trial (picture is worth a thousand words!)

I found information and spoke to a Corrections Officer ([REDACTED]) at Norman Seabrook sentencing in Feb 2019..... [REDACTED] had information that Gigi's lawyers directly personally participated in the Rikers bribe crime in one certain aspect...They bribed the CO who is in charge of attorney visits, [Alan dershowitz ron kuby gigi jordan trial](#). ([REDACTED]) for [REDACTED] to sneak the lawyers in inside the Jail (where the inmates are), to have private all day visits with Gigi Jordan inside the inmate housing areas, and also the Co was bribed to allow the lawyers to bring in laptops, cellphones (which are strictly prohibited inside the jail, and are contraband). CO [REDACTED] was Co [REDACTED] coworker in the lawyer visiting area .. AS per Co Monclavas information, CO [REDACTED] found out about CO [REDACTED] "getting paid" from Gigi Jordans lawyers in exchange for giving Gigi Jordan and her lawyers certain "illegal Favors". CO [REDACTED] was jealous, and filed a formal complaint that Gigi's lawyers were bribing CO [REDACTED].... **Both [REDACTED] and [REDACTED], in addition to being COs, were also the Rikers Union delegates, reporting directly to Norman Seabrook.** After CO [REDACTED] made formal complaint, it seems that Norman Seabrook "gave her whatever she wanted", so she did not press the issue further. Whats important about all of this is that there was Documentation at Rikers from CO's about the Gigi Jordan bribe(involving her lawyers,) . Vance office and Department of Investigation (DOI) covered it up.

Im just giving you a quick synopsis here, obviously there is alot more to this, specifically about vance himself and the actual criminal case vs Gigi Jordan. I have everything fully documented, especially the retaliation against me by Vance's office when I tried to expose this.

I believe that the information/evidence on Cyrus Vance/ Norman Seabrook/ALan Dershowitz that I have that I have obtained as part of my fight for Justice and exposing Vances Corruption in my personal case, as it so happens, currently complements several of the major cases on going at the US Attorneys office (Epstein, Seabrook, etc). Technically my Norman Seabrook Bribe information is separate from the Bribe Seabrook got prosecuted for by your office, but at the same time is VERY similar. More importantly, the "other Noman Seabrook Bribe" case technically still isn't over, Seabrook is appealing, plus, even worse, is freely "walking the earth", as we speak. I attended Seabrooks sentencing hearing, and Judge Heller was very clear when he allowed Seabrook to be out on bail pending appeal....That bail is contingent on "there being no other additional criminal actions outstanding by Norman Seabrook "... I believe that if the evidence of the criminal actions by Seabrook in the Gigi Jordan/Alan Dershowitz Rikers bribe, just on that alone, if presented to Judge Heller, would result in Judge Heller Revoking Seabrook's Bail, which would be HUGE win and Justice being served for the Citizens of NY. Additionally, any information/evidence that Your office obtains showing criminal activity by Alan Dershowitz in a separate (but similar) non Epstein matter, would give your office huge leverage over Dershowitz to force Dershowitz to flip on any fo Epstein's accomplices that Dershowitz has information on .

I am including my direct cell number below. Is it possible to schedule an appointment for me to come in and give US attorney Office further information and provide whatever evidence I have, of which there is tons.
