Subject: [EXTERNAL] Follow up to voicemail-[REDACTED]

Hello Ms. [REDACTED]

I found your contact information on the SDNY website and am reaching out regarding the Ghislaine Maxwell indictment. Earlier this afternoon I left you a voicemail in a general mailbox attached to [REDACTED] I thought I'd also follow up via email.

I met Ghislaine Maxwell and Jeffrey Epstein in [REDACTED]
[REDACTED] Maxwell was a client and she immediately introduced me to Epstein. I was "involved" with them for a period of a few years. The things that happened to me were unspeakable. Quite literally they altered the course of my entire life. It was a secret I had been trying to keep for two and a half decades when it became news that Epstein had been arrested in 2019. My experience in reaching out and trying to be heard has been extraordinarily invalidating. I feel like because I was not technically a minor, and because my experience in the mid 90s is now outside the statute of limitations, what they did to me doesn't matter to anyone but me. I'm not a big enough headline.

In looking for some closure, I came across your name as a victim/witness coordinator. I'm wondering if we could have a conversation to discuss resources that might be available to me and Maxwell's scheduled trial in November.

Thank you for your time and consideration. I hope to hear from your office soon.

Sincerely,

[REDACTED]
