Stan,

Thank you again for meeting with us today with [REDACTED], and as promised, attached is a scanned version of the signed proffer agreement for your records. And as discussed, if you could please work with her to identify any emails, text messages, or other records of communications that remain in her possession, in connection with anyone in Epstein's orbit, as well as any physical possessions she has from him (camera, old cellphones, etc.), that would be extremely helpful —thanks. And also as discussed, if she needs assistance with retrieving data, we can help with that as well.

thanks again,
[REDACTED]
