Hi [REDACTED],

I have a meeting at 8:15, but can chat before (or after) then. I want to also discuss the possible response to [REDACTED] about the press having incomplete/inaccurate information.

Thanks,

We just received the below from USMS. Is the detail about the noose accurate? Do you have any additional information or reports you can provide?

Thanks,

**Subject:** Jeffrey EPSTEIN

All,

Please be advised that we received the following report from the Bureau of Prisons MCC New York at 2115 hours on this date:

Associate Warden (AW) [REDACTED] at MCC New York advised that Jeffrey EPSTEIN was found in his cell this morning at 0127 hours in a fetal position with a noose around his neck. EPSTEIN was escorted to medical and was assessed. EPSTEIN was initially placed on suicide watch and subsequently downgraded to suicide observation, where he

currently remains. Additionally, AW [REDACTED] advised that EPSTEIN's cell mate reported threatened to kill him. No further information was provided.

The above incident is currently under investigation with the BOP.
