Sounds fine. Scheduled for June 17 and 22. And if by chance something would get rescheduled, I think we could still go ahead with the production, I'd just want to confirm with supervisors.

Subject: June 25 Production in Epstein FOIA

Hi [REDACTED]

Just checking in—BOP currently has a deadline of June 25 to produce documents without any redactions based on *Noel* in the Epstein FOIA. Is everything on track in *Noel* for that date to still work? As in, all interviews or any other processes that could support 7(A) withholdings will be wrapped up by June 25, right?

Thanks,
