Hello, [REDACTED],

OIA received the below inquiry from the Russian Embassy to the US about the lawsuit by the Russian citizen on the Epstein matter. We are presuming that the embassy is referring to the civil case, and are currently working on confirming that.

Please let me know if you have a few minutes sometime today or tomorrow to chat on the phone.

Thanks!

Dear [REDACTED],

I hope you are well.

According to numerous media reports, a Russian citizen referred to as Jane Doe filed a lawsuit on so-called Epstein case. She claimed that she was a victim of sexual crimes.

We would very much appreciate any information concerning our nationals involved in the above-mentioned case.

Thank you for your kind consideration of our request.

Kind regards,

Igor Sergeev,

Head of Legal Division

Embassy of the Russian Federation in the USA
