No worries. Correct, those are the mpegs I was seeing. I'll try to have IT help me out, but will get it done sometime tomorrow the other way regardless.

Sorry, I'm now out of order on email responses, but no problem at all to do two folders, thanks.

And in terms of access, re: your other email, I think you're already looking at the mpegs in these folders --

Sure, will do. One question. I'm not 100% sure there's a folder on the shared that all of you have access to and that isn't a "common" folder. Would it be alright if I did two identical folders? I.e. one for you guys on the Epstein shared, and one for exec on their shared?

Luke,

Geoff has asked us to have video clips created from the deposition videos of Ghislaine Maxwell in connection with the Epstein investigation. There are approximately 11 question and answer sequences he's interested in, and they're listed on pages 19-28 of the attached word document. The page numbers referenced in that doc correspond to the two PDF transcripts also attached.

The videos are in the following folder, which you should have access to, and appear to be visible through a viewer program that was produced to us:

[\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\Investigation\# 2018 SDNY investigation\Subpoena Returns\\[REDACTED\]\2020-05-02,\[REDACTED\] third subpoena response\Videos](\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\Investigation\# 2018 SDNY investigation\Subpoena Returns\[REDACTED]\2020-05-02,[REDACTED] third subpoena response\Videos)

If you could please include about 30 seconds before and after each of the relevant exchanges, that would be helpful to show the full context of the Q&As. And if you could please put the snippets in a folder that's accessible to [REDACTED], and also include us on the link, that would be great.

Please let us know if any questions or issues, and thanks very much as always.
