Question: "As part of that investigation have you reached out to interview Prince Andrew, and has he been cooperative?"

Answer: "Ordinarily, our office doesn't comment on whether an individual cooperates or doesn't cooperate with our investigation. However, in Prince Andrew's case, he publicly offered, indeed in a press release, offered to cooperate with law enforcement investigating the crimes committed by Jeffrey Epstein and his coconspirators. So I think in that context, it's fair for people to know whether Prince Andrew has followed through with that public commitment. So let me say that the Southern District of New York and the FBI have contacted Prince Andrew's attorneys and requested to interview Prince Andrew and to date, Prince Andrew has provided zero cooperation."
