Hi [REDACTED],

I WANT A RESPONSE FROM THE FBI! This is not acceptable.

This is the third time I have approached you with wanting to make an official complaint against the FBI but no response.

I've been told that I have to go to the FBI directly In order to make my complaint! I expect a response.

Please can you outline the formalities on how I can proceed with my complaint as I would like to do this as soon as possible!

I was raped and trafficked on the very steps that Geoffrey Berman stood on whilst lying to not only the public, but to the very victims themselves. How dare he promote a charity without providing my support to

the JE victims.

I have evidence against the FBI now too. I will be taking this on an international level and have already sent my evidence against the FBI the the appropriate channels.

The evidence that you didn't take from me to protect yourselves for your failure is now with journalists around the world which directly implicates each co conspirator. .

The FBI is no different to the Co conspirators them selves and now I can prove it.

Thanks for your help and support.

Regards

██████████,

What's a good contact number for you? ██████████ and I can give you a call tomorrow (Friday 1/31) if that works for you? Would likely be afternoon ██████████. Let us know if that works.

Thanks,

██████████

Hi ██████████ - I apologize we were out on an arrest yesterday. Glad to hear from you - was concerned when I had not heard back regarding coordinating therapy for you.

Please let us know some dates and times in the next few days that work for you.

Talk to you soon-
