It hasn't yet made it through. Yes, I'd be happy to help once I have shared access.

I don't know if my email below came through – the attachment is huge and has been very difficult to send – but if not, and if you're able to help, I'll put it on a share directory you have access to instead. Thanks!

Do you have time today to help with a quick but time sensitive project? The attached report is not searchable for whatever reason (the short appendix at the end is, but the first 380+ page report is not). Do you know/are you able to resave or convert this in some manner that would make it searchable? Thanks
