I am waiting on a call back from MCC. I will ask that status of that report. It is my understanding that the cell was to be secured and not entered, but I will confirm for you.

[REDACTED],
Do we have any initial reports conducted by the BOP regarding the finding of Epstein, position of the body, etc. OCME is requesting for anything that would assist them while they await findings or reports from the first on scene. And just to confirm, that cell is still secured as requested correct, OCME may want to re-visit.

Yes, that is my understanding that all union-represented employees want their union rep. present during the interviews.

I will call MCC to see if the Lt. [REDACTED] is available

Thanks. To confirm, are all of the union-represented officers refusing to speak with us without their rep?

[REDACTED] and I are free between 2-4, and we can do it at our office.

I will work on getting physical descriptions of Thomas and Noel.

I spoke to [REDACTED] at MCC, all but [REDACTED] have union representation.

If [REDACTED] is available to talk with us today, is there a time, location, ect. That works best?
