This looked fine (and formulaic) and I had a couple of edits, including to add a sentence on the perjury count in the description, and a few nits.

Subject: GM - MLAT Request to France

[REDACTED],

Attached for your review is a draft MLAT to France regarding the witness we mentioned earlier this week, [REDACTED]. The DOJ Attaché met with the Paris Prosecutor's Office about Brunel today. We understand that they indicated a willingness to assist on the basis of an MLAT request, and that more generally, they seemed willing to help us as long as the sharing is reciprocal. Happy to discuss.

Thanks,
