Subject: [EXTERNAL EMAIL] - [REDACTED] - Info on Epstein/[REDACTED]

Dear Ms [REDACTED],

My name is [REDACTED], and I am hoping [REDACTED] has already contacted you on my behalf, if not that is how I got your email. I have critical information on the Jeffrey Epstein/[REDACTED] case. After speaking with New York Times and Ms. [REDACTED] my guess is, she agrees...and felt best I speak with you immediately.

[REDACTED]

I have people, pictures, places, dates and more going back 30 years, and then some more...I am very concerned for the safety of my family for obvious reasons, the burden has been great.

I look forward to hearing from you at your earliest convenience, as this information is needed now, and I can't go on with this over me any longer. I am hopeful this information will expose all human victimization past present and future on a Global Scale. Please feel free to contact me via phone [REDACTED].
