Subject: added discovery for Epstein
Date: Mon, 05 Aug 2019 23:43:17 +0000

FYI, I just put a new production of Deutsche Bank materials in the SECOND PRODUCTION pending folder for Epstein – it just continues from the prior materials (starting with DB-SDNY-0001711) but wanted to let you know in case there was anything that had been done to those docs yet. It doesn't look like it, but in an abundance of caution and transparency. Thanks.
