Hey [REDACTED],

I proofread the first few pages and cite-checked paragraph 32. (I have to run and will be offline for a few hours, unfortunately). Edits attached.

Also, it looks like there's some one-space/two-space variation. You probably have your own trick for this – I just run a find/replace for two spaces to turn them into one (as much as I prefer two spaces).

Sorry I'm not around this afternoon to finish a proofread!
