See below. Not sure if the survivor is a survivor generally speaking or if it is an Epstein survivor but I wanted to make you aware in case it was the latter. Good luck!!

Subject: Panel discussion on Wednesday of FILTHY RICH

Dear [REDACTED] and [REDACTED],

I hope that this message finds you all in good health. Perhaps unsurprisingly, the COVID-19 pandemic has caused ECPAT-USA to be busier than pre-outbreak. We've been very involved in educational outreach for children who are spending increased amounts of time online and unsupervised, and also raising awareness about the ongoing risks of sex trafficking recruitment. I thought this panel discussion may be of interest to you. Thank you for continuing to protect extremely vulnerable young people.

Best regards,
Lori
