Attached is the updated memo. Nothing in here should be a surprise, I think—it's really not a ton of changes from previous versions. Let me know your thoughts, and I'll plan to flip this to the chiefs whenever you've had a chance to weigh in. Thanks!

Two things to flag:

- I've highlighted a section that I'm not sure about, so let me know your thoughts on accuracy.
- I haven't added endangering the welfare of a minor, because of the circuit split issue, but if you think that's too cautious, I can add it.
