Hi [REDACTED]

Thanks for your time on the phone just then. I'd really appreciate some guidance on documents that were released around the Jeffrey Epstein case please.

I am looking for documents that include transcripts of Ghislaine Maxwell's video statement to the court as part of the Guiffre v Maxwell case. I am looking at the documents that were unsealed in August about the case, using the case number 18-2868. I have found documents 282-293 on PACER, which do not seem to include this evidence.

Are you able to guide me as to where to find it please? Thanks so much.

Could I also ask if the court will release that actual video of Maxwell giving evidence at any point please?

Thank you – apologise for adding another thing to the list before the holidays, but really appreciate it if you have a chance to get back to me today please as I am on deadline.

All best  
Emily
