[REDACTED] -

While I certainly appreciate the kind words, they are more appropriately directed to SDNY U.S. Attorney [REDACTED], his team, and the investigative agents who supported them. I will pass your sentiments along to them. Thank you again for your efforts on behalf of victims.

Best,

Dear Mr. [REDACTED]

Thank you for your incredible investigation of the Jeffrey Epstein case.

Your extraordinary work allowed justice to prevail. The truth might never have surfaced had you not been directing the investigation alongside your colleagues, Mr. Downing and Attorney General Barr.

I admire you greatly.

You have emboldened me to continue my advocacy work on behalf of trafficked victims in spite of the many challenges ahead. I know that with you, Attorney General Barr, President Trump and Mr. Downing at the helm, this great country of ours will once again be a beacon of light for all the world to see.

Thank you on behalf of the thousand silent voices that cannot speak.

May God bless and protect you and yours.

Respectfully yours,
