Well [REDACTED],

You asked for it... ;) I hope you find this information useful, and that justice is serviced. I imagine that will keep you busy for a while as it did me. I tired as best I could to pick through the photos to send you a full picture. Ha no pun intended...

I am feeling better now that we've talked. The burden is massive, my hearts hurts for so many, and the really is that this is one of the hardest things I've ever had to do. I guess it's not really over for me... we sit and wait, as all the other victims...Hoping for change...

Feel free to call or text any time. I just needed time to be able to deal with the stress of the conversation in private and uninterrupted. There is more...but I hope I was able to provide what was most important.

Keep Safe,

[REDACTED]

P.S. Hate these one sided relationships... ;)
