One of my favorites!!!...After all my research, conspiracy theories... remember what got my attention was Highbridge name because it reminded me of my neighborhood Highbridge Pool in Washington Heights ... which after JE came the "Joe Podesta's pool art" then of course all the freaky pedo Pope stuff and I go back to this pic after 100 times of looking at it...and I noticed the pic above Ernst. ... I couldn't help but laugh ... I'm just saying...
