Gary,

I got your voicemail the other day, thank you – thanks for checking again on the possibility of any records relating to tuition payments, etc. The one follow-up question we have, which I think was not covered by the initial subpoena, is whether PCS currently has any records of third-party payments, donations, sponsored scholarships, or other similar financial transactions in the period of 1997 to 2000? If – similar to student financial records – those are no longer available, that would be helpful to know; alternatively, if they are (or might be) available, we can send an updated subpoena asking for any such records relating to Jeffrey Epstein. Please let us know?

thanks,

[REDACTED].
