Hi all,

Sorry to pile on, but we represented to Judge Nathan in a filing last week that Maxwell would continue to receive legal calls every weekday and that MDC planned to convert those calls to VTCs during lockdown. Would one of you be able to please confirm that Maxwell will receive a VTC, or at the very least a legal call today?

Thanks very much,

Hi [REDACTED]

Per my voicemail—

Ms. Maxwell was informed she has no legal calls today.

We understood she would have daily (M-F) VTCs from 12:30-3:30 as she did on Friday.

Please confirm.

Thank you-

Bobbi

Thank you for your assistance in arranging legal video conferencing for Ms. Maxwell.
We request daily VTCs.
It is my understanding that there is a VTC terminal in the vicinity of Ms. Maxwell's isolation cell and day room area.
Please let me know if I need to arrange these through the MDC legal conferencing portal managed by FDNY.
Much appreciated.

Bobbi

Good afternoon-
I write again regarding my immediate need for video teleconferencing with my client GHISLAINE MAXWELL 02879-509 (SEE EMAIL BELOW).
I am informed that in-person legal visiting has been suspended due to the COVID outbreak at the facility.
It is imperative that I be able to review discovery documents with my client with via video.
Legal calls are insufficient for review of the millions of documents in this case.
Please make these arrangements immediately or provide a response that I can bring to the Court's attention.
Thank you-

Good afternoon-

I am counsel for GHISLAINE MAXWELL 02879-509

I have requested but have never received video calls with my client Ghislaine Maxwell.

Ms. Papapetru and Mr. Wallace informed the Court that Ms. Maxwell

was provided one video call, which I confirmed occurred on August 18th but failed due to audio problems.

I am informed that the VTC occurred in a room between Ms. Maxwell's isolation cell and day room.

Yesterday, I was informed of the following-

"Unfortunately there are no VTCs on East SHU. You may reach out to [REDACTED] for further assistance in this matter."

I am requesting that videoconferences be arranged for Ms. Maxwell or provide explanation for review by the Court.

Thank you.

Any chance for VTCs so I can review discovery client?

Otherwise daily legal calls?

My client - Ghislaine Maxwell - 02879-509 - is in quarantine; all of her in-person legal visits have been cancelled.

Any assistance you can provide arranging daily legal calls - any time of the day - and an occasional VTC

This case involves voluminous discovery (the latest production is 1.2 million documents) and upcoming filing deadlines.

It is imperative that I have contact with my client.
