I assume you didn't hear back from her on this, but wanted to check? Thanks!

Hi [REDACTED],

Wanted to quickly check in to follow up on our conversations last week and earlier this week – I think you were able to transmit the scanned records to [REDACTED], but I'm not sure whether that was just the 16,000 pages you mentioned when we last spoke, or if you were able to get all 29,000 to her? And we're also hoping to confirm for sure that all the materials you received were definitely scanned in, and to get an index or catalog of those materials (including what media was included).

Another person on our team, [REDACTED], who's copied, is jumping in to coordinate on this, so if it's easier to chat via phone her number is [REDACTED], and please let us know if anything would be helpful on our end.

thanks again!

[REDACTED].

[REDACTED],

Following up on our conversation from yesterday, wanted to send a quick email as promised so you have my full contact info – I'm reachable at this email address or by phone at [REDACTED] (office) or [REDACTED] (cell). Please don't hesitate to reach out anytime day or night if we can provide any useful info, or if you have any questions at all, and we appreciate you talking with us about the records information. Let us know if it makes sense to set up another call for Friday or early next week to check in on the questions we had, and thanks very much for your help.

thanks again,

[REDACTED].
