Subject: RE: Additional warrant app

Judge Moses,

Attached are the application and proposed warrant. I revised the paragraphs describing the seizure of the discs for clarity. In addition, after speaking with the affiant, I revised the language in those paragraphs to make clear that some of the photographs are not just of nude or partially nude young girls, but that they are also sexually suggestive photographs.

Thank you,

If you have the application and proposed warrant ready by 11:00 I will review it tonight. If not, since it does not seem to be an emergency, you should present the application to Judge Pitman tomorrow.
