redline_betw_our_last_draft_and_the_most_recent_draft.docx

Hey, would you be able to take a quick look at this updated draft indictment? I thought basically all of their edits were fine, so accepted pretty much everything with some tweaks for consistency or clarity. Attached is a clean version, as well as a redline between this clean version and the last clean version we sent (so it shows the incorporated ██ and █████ comments, as well as my edits).

thank you!!
