---

Hey Guys – With apologies, we still don't have guidance from [REDACTED] on timing. I think, based on our preliminary conversation with her yesterday, it is extremely unlikely Audrey is going to feel ready to move forward on Thursday, so I would not spend a lot of time worrying about being ready to go in 48 hours. We raised with her some of the concerns voiced on the call yesterday, and asked whether July 6 or 13 might still be an option, and she was going to raise those with Audrey and get back to us. We will let you know as soon as we know more.

Unrelated, Audrey will be briefing the AG on Thursday about a number of our higher profile upcoming cases, and she has asked us to put together some bullet/talking points for that call, including ones on Maxwell. Would you mind taking a look at the attached, and letting me know if you have any comments/edits as soon as possible? We need to get this to her later today.

Thanks very much,

[REDACTED]
