Hi [REDACTED]

I'm glad the contact info was useful. I am still trying to track down if the clerks have a signed copy. I believe the contact person for the clerks office I previously provided you with may be able to help. Another thought is that the Palm Beach Police Department may have a signed copy. I am trying to get you a contact for them as well.

Hi Brianna,

I was able to get the grand jury files through the contact you provided, thank you so much.

Any update on tracking down the search warrant materials from the clerk of courts? If it would be helpful for me to reach out to someone there directly, I'd be happy to do so.

Thanks again so much for all of your help.

Hi [REDACTED]

I was not given a case number for the grand jury. But there is on-going litigation regarding the release of the grand jury information with a local newspaper, the Palm Beach Post.

I am told that the below individual in the Clerk's Office is likely a good point of contact regarding a motion to gain access to the records:

Kathy Burstein  
Chief Communications Officer  
Executive

Clerk & Comptroller Palm Beach County

Thanks very much, Brianna. I'll plan to call the clerk of court to inquire about how to file the motion. Is there a particular grand jury reference number or docket number of some sort that I should reference in the motion?

Hi Maurene-

In order to access the records from the grand jury your office would have to file a motion with the court to unseal the transcripts/records from the grand jury proceeding. Our office does not have possession of them.

I have reached out to my supervisor for more information on the grand jury proceeding. I'm honestly not sure who can get copies and under what circumstances.

Thanks very much, Brianna. Appreciate you looking into the warrant materials.

For the grand jury proceedings, how can we go about getting copies? Is there a different office I should reach out to?

Hi [REDACTED]

Our office is not in possession of a transcript of the grand jury proceeding.

As for the signed search warrant I will follow up to see if it was filed with the clerk of courts.

Hi Brianna,

Thank you so much for helping us get a copy of your office's files regarding the Jeffrey Epstein case. I've reviewed all of the files, and I noticed that two categories of items are not included. First, there do not appear to be any transcripts of grand jury proceedings. Second, there do not appear to be official, signed copies of the affidavit for a search warrant and warrant to search Epstein's residence. When we spoke a few weeks ago, you indicated that there might be a separate process required to obtain those materials. Would you please let me know what steps we should take to track those down?

Thanks,

Maurene

Hi [REDACTED]

Yes, I remember speaking last year. I hope you are doing well. Is a copy of discovery what you are looking for? For us that means all the police reports, statements, pictures, etc... collected as part of the investigation. If it easier to discuss over the phone my cell number is [REDACTED]

Hi Brianna,

I hope you are doing well. We spoke about a year ago regarding the Jeffrey Epstein case, and I am reaching back out now to request assistance in the discovery process for my office's related prosecution of Ghislaine Maxwell. Would your office be willing to share with us a copy of its files relating to your prior investigation and prosecution of Epstein?

I'm happy to have a call to discuss further, and please let me know if there is someone else in your office I should speak with regarding this request. I can be reached any time on my cellphone at [REDACTED]

Thank you very much for your help.

Best,

Maurene
