Hi [REDACTED],

I hope you're well. I'm writing to follow up regarding my research supporting the Ghislaine Maxwell investigation.

You asked me to research three issues:

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

To briefly respond to issues (1) and (2): I've confirmed you are right on both points. I've attached a Word document providing a (slightly) more detailed explanation on (1) and (2), and found (and included the text of, with highlighting/explanation where relevant) statutes [REDACTED]
[REDACTED]

Please let me know if this is helpful/any questions or comments. Happy to help!

Best,
