James,

Thanks again for the call on Friday. Attached are two subpoenas, one for the particular invoice we discussed, and one that is somewhat broader. I've also attached again a draft certification for the particular invoice, but if AT&T has a certification of its own, that would likely suffice.

Please let us know if you need any more information or a different subpoena, and please let us know if you are able to find the responsive records.

Thanks,

[REDACTED]
