The documents that [REDACTED] sent me are not what you're looking for. I'm working to compile the things that were requested and I'll email them to you as soon as I get them together. Please give me another day to track some of this stuff down. I was hoping [REDACTED] had everything but he didn't have anything you needed.

Can you please advise. If you are able to email docs, that would be great.

Hi Exec (XO):

Hope all is well.

It is my understanding that you might have mailed requested docs regarding the Epstein investigation to our office. If so, it may have been misplaced since we're not readily at our office due to pandemic. Is there any way the docs can be e-mailed? Thx and stay well.
